The Marston Mummers' Play
first performance
At the Wesley Centre
On Thursday 20th December 2018
At 6:30pm

In Comes I .

A modern revival of a traditional English folk-play featuring St. George, Bold Slasher, Father Christmas, Dr John Schorne, Happy Jack and Beelzebub. Mummers' Plays are performed by troupes of amateur actors - Mummers - and last about 15 minutes.

Mummers' Plays can be traced back to the 1200s, were common in the 1700s and up to the First World War, and are said to be the origins of our Pantomimes.

Our first revival Mummers Play will draw upon an old Quainton script and some other historical scripts.

Suitable for all ages - Come and join in the fun.
